The Indians started the season with high hopes, winning three out of four of their first games including a pre-season romp over Williamson. Then two straight losses to Iaegar and Pineville dampened the Indian hopes for the playoffs. After beating Independence in a low scoring game, the Indians were socked with three straight losses. The season did end on a high note, though, when Oceana romped on Chapmanville at Chapmanville.

MRS. GERRY E. WORLEY
PRINCIPAL

Mrs. Worley received her BA Degree from Morris Harvey, a MA Degree from Marshall University, and was a classroom teacher for 11 years. She served as Assistant Principal for 2½ years before being promoted to Principal in January 1980. She resigned from her position as principal this year in order to return to classroom teaching.

Mrs. Worley said, "I have enjoyed many things connected with being principal here. It has been a most challenging and interesting experience. I have many good memories and I am most happy to have had the opportunity to be Principal. I think that it is an experience that everyone in the educational field should have at least once. I have a special place in my heart for OHS."

A child steps into a grown up world,
scared, nervous, alone —
what is going to happen?
Yet the child dreams . . .

Making right and wrong choices,
unsure, uncomfortable, alone —
what will I become?
Yet the child dreams . . .

Now, a Senior leaving school,
confused, searching, alone —
go to college, work, or get married?
Yet the adult dreams . . .
